Our School

Victoria Park Christian School is a small, caring co-education school catering for Pre-Kindergarten to Year 6. The school is open to any student wishing to study and learn within a Christian environment and works with families to ensure that each child is nurtured and challenged to reach his or her full potential and experience an abundant life. By fostering positive relationships with God, and each other, we guide students to be citizens who do the right thing, show love and mercy and live humbly with God.

Victoria Park Christian School is a place where students, teachers and parents can develop values, character and personality based upon a love for God, an unselfish concern for others and personal self-respect. The educational activities are designed to provide opportunities for all students to achieve their maximum development – intellectually, spiritually, socially and physically.

Victoria Park Christian School is part of a worldwide Christian Education system (Adventist Christian Schools), that has over 2 million students worldwide and 110,000 teachers. Across Australia there are 48 Adventist schools educating more than 16,000 students, providing a network of resources to give every child an education of the highest quality in an ideal learning environment.

History

The School was established in 1927 as a single teacher school and was situated in McMillan Street, Victoria Park at this stage. In 1945 the school transferred to Hordern Street just around the corner from its current location. In 1963 new rooms were built on the current site, 27 Colombo Street, Victoria Park, to cater for the Primary School while the Hordern Street site housed the High School. Victoria Park Christian School forms part of the City of Canning and is set in a beautiful tree-lined street; this same appreciation for the environment is continued within the playground.

During the 1980s the Junior High School outgrew the Hordern Street premises and was amalgamated with the Senior High School at Carmel, where many of our Year 6 students continue their studies.

Goals:

Victoria Park Christian School aims to:

- Provide a learning environment which supports the education of the whole child: physical, emotional, social and spiritual.
- Actively promote the skills of collaboration, co-operation, thinking and problem-solving in all areas of learning as preparation to meet the challenges of an ever changing future.
- Build a community of flexible, independent and self-motivated learners who share a life long journey of discovery through real life experiences.
- Provide a caring, safe and supportive environment where all students are respected and valued.
- Promote Christianity as a happy and joy-filled way to live.
- Nurture a Jesus-centred environment where Gospel values are actively lived and practiced.
- Foster a sense of self-discipline, encouraging students to accept responsibility for their choices.
- Promote a sense of active justice and equality for all.
- Enhance the role of parents in the learning process as the first educators of their children.
- Encourage an awareness of and desire to respect and care for self, others and all of creation.
- Value and celebrate each person's gifts, encourage them to share their gifts and use them to the best of their ability.

Parent Support

Our parents love being involved and supportive of our school. The standards below contribute to its smooth operations. They will assist you, as you and your child relate to the school.

Regular Attendance

Children should attend classes every scheduled school day, arriving and departing within the specified times (8:30am – 3:30pm). Classes commence at 8:50am and finish at 3:10pm.

Interest in Student Progress

Parents are urged to take close interest in all aspects of their child's development. This includes supervising homework, attending parent/teacher interviews and simple tasks such as talking over the day's activities before bed.

Home and School Committee

Parents are invited to attend and take an active part in the various activities of the Home & School Committee – including general meetings.

Working Bees

These are held once a term and are advertised in the School Newsletter. Parents are asked to help with maintenance of equipment and grounds by participating in these scheduled working bees. This sort of voluntary help keeps the standard of equipment high and, at the same time, reduces the financial burden on parents. The annual maintenance fee of \$100 will be credited back to your tuition account - \$25 per working bee. Please ensure you sign the Working Bee Register before commencing work. This register is important should you ever be injured whilst working on the school property.

Parents are also asked to help by:

- Promoting Christian values;
- Finalising all accounts by the due date;
- Complying with guidelines outlined in this handbook;
- Supporting and encouraging their children to do their best in school;
- Responding to requests and surveys promptly; and
- Praying for the school, students, teachers, support staff and associated families.

Information for Parents

Adornment

Clear nail polish only.

Earrings need to be clear, silver, gold, white or blue studs (**very small**) with only one per ear, in the lobe, permitted. It is now possible to get soft, clear plaster keepers – these are a safer option.

Other jewellery is not permitted.

Mobile Phones

Student mobile phones need to be handed to the class teacher or the front office before classes start for the day. Phones can be collected immediately after class at the end of the day. Please note that any student using a mobile phone during school hours without the permission of the class teacher or principal, risks having the phone confiscated.

Uniform

The correct wearing of formal school uniform and sport uniform is compulsory. The sport uniform is not to be substituted for the formal school uniform. Students are to be in the appropriate school uniform from the time they leave home until they return at the end of the day, unless otherwise notified by the school. This includes while travelling. If, for some reason, it is not possible to wear full uniform, students need to bring a note from home explaining their situation.

School Governance

Victoria Park Christian School is part of a worldwide system of schools. As such it is governed by established operational procedures that are consistent throughout the entire system. All affiliated schools comply with the accreditation and registration procedures as set by the National Australian Adventist School System and relevant State Education Departments.

The Western Australian head office supervises operations of schools in this state. It is known as Adventist Christian Schools (WA) Ltd (ASCWA), and is based at 84 Welshpool Road, Welshpool.

School Council

The School Council is appointed by Adventist Christian Schools, WA.

The Principal of the school is the secretary of the School Council.

Briefly the Committee's functions are to:

1. Promote Christian education.
2. Set and operate an effective budget.
3. Uphold the school through prayer and personal support.
4. Review all enrolments and endorse their acceptance.
5. Care for and develop the school assets.
6. Oversee the smooth operation of the school.

Home & School Committee

This committee is made up of interested parents, whose primary role is to foster meaningful relationships between parents and the school, and in so doing, contribute to the development of the child.

Elected positions are: Chairperson, Secretary, Treasurer and at least three others. The Principal is ex-officio.

Briefly the Home and School functions include:

1. Promote Christian education.
2. Fund-raising.
3. Organise parental assistance in school activities.
4. Conduct general educational meetings of interest for parents.

Members of the school community who feel they may have an interest in assisting by being part of the planning committee are invited to contact the school Principal.

Admission and Enrolment

Enrolment

Victoria Park Christian School aims to supplement the work of the Christian home. The parent, by enrolling the student in the school, undertakes to assure that the child concerned will be encouraged to cooperate with all the activities of the school and help maintain its standard as a Christian organisation. Victoria Park Christian School is open to students without regard for their ethnic background or religion.

Enrolment Procedure

New Enrolments

Prospective new enrolments should apply to the school for:

- a. An enrolment package
- b. An appointment to meet with the Principal

At the interview the Principal will discuss with parents such matters as:

- a. The philosophy and purpose of the school.
- b. Parent's expectations as to what the school can offer their child.
- c. The school's expectations of the pupil and the parents. This would include such matters as financial responsibilities, academic program, transport etc...

Prospective students will be advised on the School Council's decision regarding their enrolment application.

International Students must have a signed Written Agreement before application can be made.

Application Deposits

An initial application deposit of \$250.00 is charged per family. This deposit is non-refundable, unless we are unable to accept the student.

The application deposit for International Students is \$250.

Confirmation of Enrolment Details

All students currently attending the School are required to submit an updated student information sheet each year. Forms for this purpose are distributed to parents at the beginning of the school year and need to be returned within 5 days. Please check details carefully as they are important should we need to contact you in an emergency.

While there is no requirement to complete an application form in order to re-enrol each year, continued enrolment is at the discretion of the School Council. Enrolment is dependent on finalising fee accounts for the previous year, student behaviour being of a high standard and demonstrated effort in areas of school work and homework.

Pre-Kindy and Kindy Enrolments

The 3 year old program (Pre-Kindy) is offered two days a week – Tuesday and Thursday. Children must turn 3 years of age before enrolling. (See Handbook for Pre-Kindy & Kindy)

The 4 year old program (Kindy) is offered three days a week – Monday, Wednesday and Friday, with the option of attending five days a week. Children must turn 4 before the 30th June in the year they are enrolled. (See Handbook for Pre-Kindy & Kindy)

STUDENTS IN PRE-KINDY/KINDY CANNOT BE ENROLLED IN TWO SEPARATE SCHOOLS AT THE SAME TIME.

Financial Matters

Victoria Park Christian School is one of a number of schools run by Adventist Christian Schools, WA.

These schools are funded in three ways:

- Student fees.
- WA Conference subsidy – paid by local Adventist churches.
- State and Federal Government Grants.

Tuition Fees

Tuition fees are set each year by Adventist Christian Schools, WA.

- Fee accounts are forwarded to families at the beginning of each school year, along with a Fee Payment Options form and a Fee Payment Commitment Form.
- Fees are due in accordance with the option that best suits you:
 - a. Annual Payment – prompt payment is made in full by the due date, attracting a 5% discount on tuition fees (payment due before the end of February)
 - b. Term Payments – payments are made four times per year and due at the beginning of each term. Payments made by the due dates attract a 2.5% discount on tuition fees.
 - c. Monthly Payments – 10 payments are made over each month from February to November. Payments are due on the 15th of each month.
 - d. Fortnightly Payments – 20 payments are made each fortnight from February to November. Payments are due on the 14th and 28th of each month.
- Due dates and discount periods will be advertised each term.

Note: All fees must be paid in full before a child can be re-enrolled for a new year.

Withdrawal of Students

Should you need to withdraw a student, a full term's notice must be given in writing or a Term's Tuition Fee will be charged.

Student 24hr/365 day Accident Insurance

The school annually takes out a student accident insurance policy for all students. This policy covers injury twenty-four hours a day, regardless of whether the accident occurs at school or not. The charge for insurance in 2022 is \$15 per student and will be included in your tuition account each year. Claim forms are available at the school.

Low income families

Families in financial difficulty may apply for assistance with fees through the School Principal. The amount of bursary available is limited and there is no guarantee that all requests will be met. Families who already have children enrolled in the school will be given preference.

Applications must first be made through the Principal, who will then review this with the School Council. A full statement of income must be provided as part of the application. Applications are made and reviewed each six months.

Maintenance Fee

A maintenance fee will be charged at a rate of \$100 per family/year. Families may wish to select the option of participating in Working Bees at least twice yearly. Involvement in Working Bee activities will result in the Maintenance fee being removed from your tuition fee.

One Working Bee is held each term and is equivalent to \$25 being removed from your tuition fee.

Swimming Lessons

The amount of \$140 per student is charged for all students PP-Year 6. Exemption from swimming lessons may be given when a medical practitioner advises against swimming.

Stationery

In the final term of each year, each student in Years 3-6 will be given a list of stationery requirements. These items are to be purchased by parents for the new school year. Students in Pre-Primary, Year 1 and Year 2 are charged a \$50 levy and all stationery items will be purchased by the class teacher.

Excursions/Incursions
